Net Contents: 32 Fl. Oz.

SHAKE WELL BEFORE USE

PRODUCT DESCRIPTION

Eliminates cobwebs both indoors, outdoors or anywhere cobwebs are noticed with 100% natural ingredients. Cobweb Eliminator will not stain and has no long lasting odor. The mildly acidic odor noticed after application indicates the product is effectively working. This odor disappears usually in 24 hrs. Cobweb Eliminator deteriorates the webs attachment points making for easy removal and maintains a neat and clean appearance. It also discourages the reformation of cobwebs.

DIRECTIONS FOR USE

SHAKE WELL and do not dilute. Adjust nozzle to stream. Applications should completely wet the area, then remove the web residue with a stiff-bristle broom. Do not rinse after application. Cobweb Eliminator may be applied indoor/outdoor on paint, metal, fiberglass, concrete and masonry. Reapply as often as needed. Notice of disclaimer: The manufacturer makes no pesticidal claims with regard to this product. INGREDIENTS APPROVED BY FDA/USDA IN ACCORDANCE WITH 21 CFR PART 182.2.. Authorization to use Cobweb Eliminator in food processing has been received from FDA/USDA in the U. S. and Canada. Cobweb Eliminator may be used in animal handling areas and on food crops, however, due to the "Lens Effect" recommendations are to apply to plant life in morning or afternoon hours.

100% natural, nontoxic, biodegradable, nonflammable, non corrosive, safe around humans, pets and crops when used as directed. 800-299-NATURE (6288) P.O. Box 682 Pelham, GA 31779

CAUTION

Even though contents are all natural and nontoxic, contact with the eyes may cause irritation. If contact with the eyes or skin occurs, flush with running water for 15 minutes. CALL A PHYSICIAN IF NEEDED. KEEP OUT OF REACH OF CHILDREN. Use only as labeled.

STORAGE AND DISPOSAL

Store and dispose of in accordance with local, state and federal regulations.
