

Houseplant Insect Killer, Orbital Sprayer

Directions for Use:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Plant Uses:

Shake Well Before Using. To unlock trigger, turn locking tab clockwise, then push down into open position. Hold sprayer 12 to 18 inches from the surface and spray to achieve thorough coverage. Sprayer works in all directions. Spray upside down to reach pests under the plant leaves. Use with caution on new, tender foliage, and avoid spraying plants in full sun.

WHAT IT IS:

Houseplant Insect Killer® is a specially formulated combination of insecticidal soap and pyrethrins which kills insects on contact yet is gentle on plants.

WHAT IT KILLS:

Aphids, Earwigs, Caterpillars, Flea Beetles, Leafhoppers, Mealy bugs, Plant Bugs, Scales, Spider Mites, Thrips and Whiteflies.

WHERE TO USE IT:

Houseplants, Roses, Flowers and Ornamentals.

Note: Use with caution on tender new foliage. DO NOT USE on Crown of Thorns, jade plants or delicate ferns. TEST for varietal sensitivity on begonias, fuchsias and impatiens. If uncertain about a plant's sensitivity, test in an inconspicuous area then wait 24 hours before full coverage.

HOW TO USE IT:

Shake well. Use at first sighting of insects. Thoroughly moisten all plant surfaces where insects are feeding or resting. Apply every 7 to 10 days when insects are present or as needed to prevent damage.

COVERAGE:

8oz. will treat approximately 5 plants, 2' high by 2' diameter.

STORAGE & DISPOSAL:

PESTICIDE STORAGE: Store only in original container in a cool, dry area inaccessible to children and pets. Protect from freezing. If frozen, thaw and shake well. Keep container tightly closed to prevent evaporation.

CONTAINER HANDLING:

If Empty: Non-refillable container. Do not reuse or refill this container. Offer for recycling if available.

If Partly Full: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with plenty of soap and water after handling this product and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID:

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-858-7378.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Remove or cover fish aquaria in the area being treated.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
