

Mosquito & Tick Killer

32 fl. oz. Ready-to-Use

General Information:

Kills mosquitoes and ticks as well as chinch bugs, lawn moth, sod webworm, armyworms, European crane flies and other listed pests.

Use on lawns and turfs.

Directions for use:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

PRECAUTIONS AND RESTRICTIONS:

Do not allow adults, children or pets to enter the treated area until sprays have dried. Do not apply this product in a way that will contact adults, children or pets either directly or through drift. Remove pets, birds and cover fish aquariums before spraying. Do not wet plants to the point of runoff or drip. Do not apply directly to or near water, storm drains or drainage ditches. Do not apply when windy. To prevent product run-off, do not over water the treated area(s) or apply prior to heavy rainfall. Not for use in outdoor residential misting systems.

APPLICATION DIRECTIONS:

Shake container of Safer® Brand Mosquito & Tick Killer thoroughly prior to applying. Apply when insects or signs of their damage appear. Spray evenly, completely coating surfaces when insects are feeding or resting. This product kills pests through contact. Pests must be directly contacted at time of application in order to be effective. Contact as many pests as possible. Use with caution on new tender foliage, and avoid spraying plants in full sun.

LAWNS:

Spray bottle contents (32 oz.) evenly to cover 2500 sq. ft. Use as directed on lawns and turf grass to kill CHINCH BUGS, LANW MOTH, SOD WEBWORM, ARMYWORMS, MOSQUITOES, TICKS, EUROPEAN CRANE FLY and other listed pests.

Use Restrictions: Do not apply more than 1 time per day.

Note: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaim all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.

HOSE-END SPRAYER INSTRUCTIONS:

Connect:

1. Shake well before using.
2. Ensure sprayer knob is turned to OFF position, then connect sprayer to hose.
3. Turn on water

Spray:

1. Extend the hose to the farthest point in the lawn away from the faucet.
This will minimize walking on the treated area.
2. To begin spraying, point nozzle in the direction you want to spray.
3. Bend small plastic tab on sprayer back and turn knob clockwise to ON position.

Finish:

1. To stop spraying, bend small white plastic tab on sprayer back and turn knob counter-clockwise to OFF position.
2. Turn off water.
3. Relieve water pressure by bending the plastic tab on sprayer back and turning knob to ON position until water slows to a drip. Then, turn knob back to OFF position.
4. Disconnect sprayer from hose.

STORAGE AND DISPOSAL:

Storage: Store at room temperature or colder, in original container only, out of reach of children and animals. Do not store full or partial container in direct sunlight. Keep container tightly sealed. (Protect from freezing. If frozen, thaw and shake well.)

Disposal:

If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals:

CAUTION: Harmful if absorbed through the skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear long-sleeved shirt and long pants, socks, shoes and gloves. Wash thoroughly with soap and water after handling this product and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.

USER SAFETY RECOMMENDATIONS:

User Should:

- Wash hands with plenty of soap and water before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID:

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have the product container or label with you when having a poison control center or doctor or going for treatment. You may also contact: 1-800-858-7378 for emergency medical treatment advice.

ENVIRONMENTAL HAZARDS:

This product is toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. Drift and run-off may be hazardous to fish in water adjacent to treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application

equipment over the treated area will help avoid run off in water bodies or drainage systems. See Directions for Use for additional precautions and requirements

PHYSICAL OR CHEMICAL HAZARDS:

Flammable. Keep away from heat and open flame.
