PEST-RID PRODUCTS

PEST-RID is an effective, non-toxic, environmentally-friendly treatment that deters iguanas, frogs, toads, rabbits, squirrels, raccoons, snakes, deer, ducks, geese, lizards, and more... without the use of pesticides. This natural product formula works by smell & taste, without the use of dangerous chemicals.

**PEST-RID** is safe for children, pets, & the environment.

### HELPS PROTECT:
- Homes, Pools, Docks, Plants, Trees, Flowers & Shrubs
- from iguanas, curly tails & other lizards, squirrels, rabbits, frogs & toads, ducks, geese, snakes, deer, raccoons, skunks, etc.
- Garden pests such as mealybugs, beetles, white flies, thrips, leaf-chewers, aphids, spider mites, snails and more!

Shake well before using.

### INSTRUCTIONS FOR USE:
Spray Pest-Rid thoroughly in all areas where animal pests bask, feed, or enter, or where there is evidence of their presence such as droppings, claw marks, or chewed plants or any other area where contact is desired. Pest-Rid is non-harmful, and works by producing an odor and taste which is disagreeable to a variety of home and garden pests. Initially applying liberal amounts will be most effective, it may take 3-5 days on the severity of the infestation. Re-application is recommended every 3-5 weeks.

*This product contains only 100% EPA exempt ingredients. This product consists of ingredients exempt from the registration requirements of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).

**PEST-RID** is listed in the USDA BioPreferred Catalog and is 100% Exempt from EPA registration (FIFRA 25B)
