Sodium Lauryl Sulfate (CAS No. 151-21-3).....	4.5%

Other Ingredients

Vinegar, Isopropyl Alcohol.....	<u>89.5%</u>
Total.....	100.0%

KEEP OUT OF REACH OF CHILDREN

Product Information

Web Out kills spiders and prevents spider webs on any surface that may support spider web development. This product can also be used as a contact pesticide to kill ants, crickets, mosquitoes, cockroaches, perimeter pest insects and other general pests. It can be applied as a surface application to kill and prevent surface fungus such as mildew. **Web Out** may be applied in and around homes, offices, warehouses, buildings, schools, sheds, marinas, docks and boats, including outdoors and indoors around windows, eaves, soffit areas, playground equipment, garages, basements and storage areas. **Web Out** can be applied to metal, wood, painted surfaces, brick, stucco, fiberglass, concrete, paneling and other surfaces.

Web Out is an EPA 25(b) exempt product, 100% natural, biodegradable, non-toxic, non-corrosive and non-flammable. It can be applied around humans and pets. It may not be used on food, food crops, food contact surfaces or animal feed commodities.

Web Out prevents new spider web formation by inhibiting the adherence of the web to the treated surface. Apply **Web Out** prior to web removal to break down the web structure and simplify the cleaning of spider web areas, web residue and stains.

Product Application

This product is ready to use. Shake or agitate before and during use. Completely wet the areas to be treated. One quart covers approximately 200-300 square feet of surface area. Porous or rough surfaces may require more product. To reduce overspray on non-target surfaces and volatilization within living areas, apply **Web Out** with a sponge or brush. If overspray occurs on glass or other surfaces, clean surfaces with a warm, damp cloth. **Web Out** lasts up to 120 days on indoor surfaces and up to 30-90 days on outdoor surfaces (depending on environmental conditions).

For spiders and spider webs: Spray directly on existing spiders, webs and surrounding areas with **Web Out**, then use a bristle brush or broom to clean the area. Treated spiders will be killed. In high spider populations and webs outdoors, re-treat areas after cleaning to extend efficacy. To kill spiders and other listed pests, spray directly on the pest.

User Precautions: Eye protection and nitrile or latex gloves are recommended when applying this product. Test an inconspicuous area for colorfastness before use. Product will produce a mild lemon/vinegar-like aroma that will dissipate in a short time.

First Aid: Product can cause mild eye irritation. If product gets into eyes, flush with water. If inhaled, move to fresh air and seek medical attention if necessary. If ingested, seek medical attention. If on skin, wash well with water. Seek medical attention if symptoms occur.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets. Do not freeze. **If empty:** Place in trash or offer for recycling if available.

WARRANTY LIMITATIONS AND DISCLAIMER

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL**

DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.
